Voluntary disclosure and automatic availability of certain records

Section 15(1)(a) of the Promotion of Access to Information Act, 2002, states that the Information Officer *must make available in the prescribed manner a description of the categories of records of the public body that are automatically available without a person having to request access in terms of this Act, including such categories available.*

The following categories of records are available on the website of the Eastern Cape Department of Health (www.echealth.gov.za) without a person having to submit a request in terms of the act.
