# **SUGGESTED MEASURES TO IMPROVE REGISTRATIONS FOR $\geq 60$ YEARS OLD PEOPLE**

- Consider daily target for daily registrations for every sub district; and district at large.
- Recommend people responsible for the established targets.
- Most elderly people may not be having smart phones; therefore assisted to register by their children/guardians.
- Existing CHCWs assisting with routine registrations; #are they enough and dedicated to registrations?
- House to house visits by CHCWs for community-based registrations in all wards

***THANK YOU***
