TOTAL													

Requirements:

- The fruit and vegetables industry is regulated by certain government departments. All fresh produce such as fresh and pre-cut fruit and vegetables supplied under this contract must comply with all the requirements as stipulated in relevant Standards, Acts, Regulations, Guidelines and its most recent amendments as deemed appropriate by governing bodies of the fruit and vegetables industry.
- The successful bidder must, in performance of work under this contract, fully comply with all applicable legislation (Acts and their regulations) and South African National Standards (SANS). These include, but are not limited to:
 - Foodstuffs, Cosmetics and Disinfectants Act, 1972 (Act No. 54 of 1972): To control sale, manufacture and importation of foodstuffs, cosmetics and disinfectants and to provide for incidental matters.
 - o Government Notice No. R638 of 22 June 2018: Regulation Governing General Hygiene Requirements for Food Premises and the Transport of food.

- o No person must handle food or permit food to be handled on food premises in respect of which a valid certificate of acceptability has not been issued or is not in force (Regulation R638 of 22 June 2018) by the local authority.

The following requirements must also be adhered to:

- Quality specifications of the goods will be class 1 as defined by legislation defined in relevant legislations and standards.
- Vehicles must be fully equipped to deliver fresh fruit vegetables products.
- The products must be transported under hygienically acceptable conditions i.e. closed vehicles
- Delivery vehicles are to be equipped so that the proper state of refrigeration is maintained for any perishable product as per applicable legislations, standards and regulations. Temperatures shall be no lower than 1°C and no higher than 14°C at during transport and at the time of delivery
- Boxes and cartons must not exhibit signs of condensation or dampness but must be dry and in good condition
- All fresh produce must be delivered inside the kitchen at the receiving area.
- If deliveries are made in boxes, cases, crates or on racks, proper sanitation of these items is the responsibility of successful bidder
